All terms, conditions and warranties whether made by the Seller or its servants or agents or otherwise (other than those express warranties made by the Supplier's Terms and Conditions) relating to the matters referred to above in this clause 2 are excluded.

### 3 Supplier's Terms and Conditions

The Supplier's Terms and Conditions under which the Products supplied hereunder were sold and/or supplied to Seller are available upon request and the Seller undertakes to supply a true copy of the Supplier's Terms and Conditions upon the written request of the Buyer delivered in accordance with clause 15.

### 4 Price

4.1 The price of the Products supplied shall be in the amount per unit and currency expressed and stated in the Confirmation Note for each grade of the Products delivered. Delivery terms are as stated in the Confirmation Note. In the event the price is quoted in volume units, conversion to standard volume shall be calculated in accordance with the ISO-ASTM-API-IP Petroleum Measurement Tables.

4.2 Any and all additional charges, if applicable, shall be for the Buyer's account including, without limitation, those specified in the Seller's quotation, the Confirmation Note and:

- Barging charges and other similar charges;
- Overtime, demurrage, port dues or mooring charges incurred by the Seller;
- Taxes, duties, charges or other costs in the country where the delivery takes place including those that are imposed on the Seller; and
- Any extra costs arising out of and/or incurred in connection with deliveries made on Saturdays, Sundays and Public Holidays, and outside of normal working hours.

### 5 Payment

5.1 Payment for the Products shall be made by the Buyer within thirty (30) days and with value date not later than the Due Date or, if otherwise agreed, within the number of days stated in the Confirmation Note. In the event payment has been made in advance of the delivery, same shall be adjusted on the basis of the actual quantities of Products supplied and additional payment and/or refund shall be made within thirty (30) days after the completion of the delivery or, if otherwise agreed, within the number of days stated in the Confirmation Note. The Due Date for cash in advance payments shall be the Conditions Deadline Date. Payment shall in each case be made in full without set-off, counterclaim, deduction and/or discount, free of bank charges.

5.2 Payment shall be deemed to have been made on the date the payment is credited to the account in the bank designated by the Seller. If the Due Date falls on a non-Business Day, then payment shall be made on or before the Business Day nearest to the Due Date. If the preceding and succeeding Business Day is equally near to the Due Date, then payment shall be made on or before the preceding Business Day. Any delay in payment and/or refund shall entitle the party to whom such payment and/or refund is due to interest at the rate of two (2) per cent per month pro rata. Such default interest shall accrue daily and be compounded on a monthly basis for so long as amounts remain outstanding, whether before or after judgement, and shall be payable on first demand. In the event of non-payment, the Seller reserves the right to pursue such legal remedies as may be available to them to recover the amount owed. If the Seller receives a payment that is insufficient to discharge all the amounts then due and payable by the Buyer under these GTC, the Seller shall apply that payment in settlement of the obligations of the Buyer in the order determined by the Seller in its absolute discretion.

5.3 If the Buyer's credit is deemed by the Seller to be impaired or unsatisfactory (a "Credit Risk Event"), the Seller may (without prejudice to its other rights) require the Buyer at the Seller's option either to pay cash before delivery, or to provide security satisfactory to the Seller on or before the Conditions Deadline Date or (if the Credit Risk Event occurs after the Conditions Deadline Date), immediately and in any event prior to delivery. In the event of failure by the Buyer to comply (or, in Seller's sole opinion, it being unlikely that the Buyer will in the time remaining to them comply) with any such Seller's requirements (whether specified in the Confirmation Note or required under this clause 5.3) and/or if the Buyer fails to comply with any subjects, greenlight conditions or conditions precedent as might be specified in any Confirmation Note by the Conditions Deadline Date, the Seller shall have no obligation to make delivery and may terminate the Contract by giving notice to this effect to the Buyer (but without prejudice to the provisions of Clause 9).

5.4 If:

(i) the Buyer is in default of any of its obligations under the Contract or any other contract between the Seller and the Buyer; or

(ii) any subsidiary, parent, associate, related or affiliate company or guarantor of or letter of credit ("L/C") issuer for the Buyer is in default of any of its obligations under any contract between the Seller and such subsidiary, parent, associate, related or affiliate company or guarantor of or L/C issuer for the Buyer; or

(iii) the Buyer's financial condition, or that of a subsidiary, parent, associate, related or affiliate company or guarantor of or L/C issuer for the Buyer, in the Seller's sole opinion becomes impaired; or

(iv) the Buyer or a subsidiary, parent, associate, related or affiliate company or guarantor of or L/C issuer for the Buyer is insolvent and/or is subject to debt negotiations, bankruptcy, liquidation, administration, dissolution and/or similar proceedings and/or is unable to or admits its inability to pay its debts as they fall due,

then any and all current, prospective, postponed and/or deferred payment obligations of the Buyer under this Contract (including, without limitation, those under Clause 5.1) including accrued interest thereon, shall be immediately due and payable (to the extent not already so due and payable) and all grace periods (if any) which applied to such payment obligations shall become null and void, and interest shall continue to accrue pursuant to Clause 5.2 in respect of amounts outstanding from Buyer until the date of payment. Furthermore Buyer irrevocably authorizes Seller, at Seller's discretion, to set-off any payment obligations of the Buyer against any payment obligations due to the Buyer or its subsidiary, parent, associate, related or affiliate company, whether expressed in the same or different currencies (and, if different, at the spot rate of exchange available to the Seller on the set-off date) and irrespective of the respective maturity of such payment obligations and whether they are documented pursuant to a valid invoice or not. Within a reasonable time, Seller shall notify the Buyer of its exercise of such set-off right; provided, however, that the Seller's failure to provide such notice shall not affect the validity of the exercise of such set-off rights. Exercise of any such rights shall be without prejudice to the Seller's rights to recover damages or losses sustained and resulting from any default by the Buyer, or any such subsidiary, parent, associate, related or affiliate company or guarantor of or L/C issuer for the Buyer, and the Seller shall have the right to suspend and/or to cancel deliveries hereunder.

5.5 If at any time the price provided under the Contract does not conform with or take account of any applicable laws, regulations or orders of a Government or other competent authority, the Seller reserves the right to make appropriate adjustments to the price of the Products. Such price adjustments will become effective and binding on the Buyer upon written notice of the same from the Seller to the Buyer.

## 6 Title

6.1 The Seller warrants that it has good title to the Products supplied hereunder. Title to the Products supplied shall pass to the Buyer upon payment for the invoiced amount of the Products delivered, pursuant to the terms of the Payment clause hereof. Until such payment is made, on behalf of themselves and the Vessel, the Buyer agrees that they are in possession of the Products solely as Bailee for the Seller, as the Seller holds retention of title to the Products as purchase money security interest until full payment is received. If, prior to payment, the Seller's Products are commingled with other products on board the Vessel, title to the Products shall remain with the Seller corresponding to the quantity of the Products supplied.

6.2 Clause 6.1 is additional and without prejudice to such other rights, claims and interests as the Seller may now or at any subsequent time have to enforce its right of lien against ships or to otherwise obtain security by seizure, attachment or arrest of assets under applicable laws, these GTC or other contract(s), against the Buyer or the Vessel.

## 7 Collection

7.1 Deliveries of Products hereunder are made not only on the credit of the Buyer, but also on the faith and credit of the Vessel which uses the Products and it is agreed that Seller has and may assert a lien against such Vessel corresponding to the value of the supplied Products and all amounts outstanding under the relevant Contract. Additionally, the Seller (i) will have and may assert a lien for the said value against such Vessel and/or (ii) may otherwise arrest the Vessel in connection with the Seller's claim for payment for the Products, should the laws applicable at the place of delivery of the Products and/or the place of seizure or arrest of such Vessel, grant or recognise a lien for Products delivered to the Vessel and/or otherwise recognise a right for the Seller to arrest the Vessel in connection with the Seller's claim. Any and all attorneys' fees and expenses and court, marshal, port or other fees and expenses associated with seizure and/or arrest of the Vessel, its maintenance and its sale shall be for the Buyer's account. Any additional security measures taken by Seller shall not operate as a waiver of this provision.

7.2 For the avoidance of doubt, the Buyer shall not be entitled to cancel the effect of the lien by wording on the Products Delivery Receipt or otherwise.

## 8 Claims

Any claim as to the quantity of the Products delivered must be presented by the Buyer in writing to the Seller in accordance with the Supplier's Terms and Conditions. Any claim as to the quality of the Products delivered must be presented by the Buyer in writing to the Seller within the number of days that is two (2) calendar days less than the relevant time period limit for presenting such claim under the Supplier's Terms and Conditions. If the Supplier's Terms and Conditions do not contain any time period limits in relation to quantity or quality claims either in terms of notice and/or provision of full supporting documentation (or if the time period limit in the preceding sentence in relation to quality claims is found to be unenforceable for any reason), any claim as to the quantity of the Products delivered must be presented by the Buyer in writing to the Seller within twenty-four (24) hours from the time of delivery and any claim as to the quality of

the Products delivered must be presented by the Buyer in writing to the Seller within fifteen (15) calendar days from the date of delivery. In the event the Supplier's Terms and Conditions do not contain any time limits with respect to providing full supporting information or documentation in respect of any claim, then the Buyer must, if requested, provide full supporting information or documentation within fifteen (15) days (from the date of such request) in respect of a claim as to the quantity of the Products or within thirty (30) days (from the date of request) in respect of a claim as to the quality of the Products.

If the Buyer fails to present a quantity or quality claim or if the Buyer fails to provide satisfactory documentary evidence or relevant information to support a claim within the relevant time period limits set out in this clause 8, the Buyer shall be deemed to have waived and by this clause shall be forever barred from commencing any proceedings for such claim for damages and/or loss and/or costs of whatsoever nature and howsoever caused against the Seller.

Any claims against the Seller under the Contract (and if such claims related to quality or quantity of the Product, provided these claims have been initially notified to the Seller by the Buyer and the Buyer has provided the documentary evidence required to support any claim within the time bars noted above, failing which such quality or quantity claims are in any case waived and barred in accordance with the above) shall be commenced by the Buyer in the relevant jurisdiction pursuant to a notice of demand for arbitration under Clause 14 within the period stated in the Supplier's Terms and Conditions (or if the Supplier's Terms and Conditions do not specify a time limit or such time limit period is found to be unenforceable for any reason, one (1) year) after the date of delivery of the Products (or the date that delivery should have been made if the delivery was never made), failing which the Buyer shall be deemed to have waived and by this clause shall be forever barred from commencing any proceedings for such claim for damages and/or loss and/or costs of whatsoever nature and howsoever caused against the Seller.

## 9 Cancellation

9.1 The Buyer agrees and acknowledges that in order to supply the Products under the Contract, the Seller has entered into or may enter into one or more transactions with third parties, including purchase and sale transactions with the Supplier and/or derivative and/or hedging transactions with third parties ("Third Party Contracts"). The Buyer acknowledges that:

- (i) such Third Party Contracts entered into by the Seller are material to, and directly in contemplation of, providing the Products to the Buyer at the contracted price,
- (ii) such Third Party Contracts expose the Seller to certain risks in the event of market fluctuations in the price of the Products or in the event that Buyer fails to take delivery of the full contracted quantity of the Products, and
- (iii) the Buyer and Seller agree that these risks shall be allocated to the Buyer in accordance with clauses 9.2 and 9.3.

9.2 In the event that the Buyer fails to take delivery of the full contracted quantity of Products during the designated delivery period under the Contract and/or if the Buyer fails to comply with any of the Seller's requirements under Clause 5.3 (including but not limited to any obligation to make payment by the Conditions Deadline Date) and/or if the Buyer fails to comply with any subjects, greenlight conditions or conditions precedent as might be specified in any Confirmation Note by the Conditions Deadline Date), and in any such case regardless of fault or causation and without regard to force majeure or circumstances entirely outside of the Buyer's control, then, without prejudice to any other rights and remedies the Seller may have against the Buyer, the Buyer shall be liable to the Seller for all costs, charges, fees, expenses and losses incurred by the Seller, including but not limited to:

- (i) those incurred by the Seller as a result of having entered into the Third Party Contracts (including but not limited to any cancellation provisions under, and in accordance with, the Supplier's Terms and Conditions);
- (ii) any and all costs of maintaining, terminating and/or re-establishing any derivative and/or hedge or related trading positions or transactions, in each case as determined by the Seller; and
- (iii) in the Seller's sole option, any difference between the contracted price of the undelivered Products and the amount received by the Seller upon resale to another party or, if another buyer cannot be found, any market diminution in the value of the Products (i.e., the difference between the contracted price of the undelivered Products and the market value of the Products at the contracted time and place of delivery as determined by the Seller)

9.3 Where the Seller has entered into derivative and/or hedging transactions in connection with the Contract, in the event that the market value of the Products changes such that the Seller expects that its potential loss under any such derivative and/or hedging transactions is likely to exceed 5% of the total contracted price for the Products in respect of the relevant supply, the Seller may, in its sole option, either:

- (i) demand the Buyer's immediate payment of up to one hundred per cent (100%) of the price for the Products in respect of the relevant supply in advance (as the case may be) of delivery of the Products by the Conditions Deadline Date, regardless of any credit or other payment terms that may have been agreed in the Confirmation Note. In the event that the Buyer does not make such advance payment by the Conditions Deadline Date, the Seller reserves the right to cancel such supply and the Buyer shall be liable to the Seller for all costs, charges, fees, expenses and losses incurred by the Seller, including but not limited to those referred to in clause 9.2 above; or
- (ii) without demanding advanced payment as referred to above, cancel the supply and the Buyer shall be liable to the Seller for all costs, charges, fees, expenses and losses incurred by the Seller, including but not limited to those referred to in clause 9.2 above.

## 10 Priority of Contract Documents

In the event of any inconsistency or conflict between the provisions of any of the documents forming the Contract, the provisions of the documents appearing chronologically earlier in the following priority order shall prevail:

1. Confirmation Note.
2. these GTC.
3. Supplier's Terms and Conditions.
4. Any other document.

No supplement, amendment, or modification of these GTC or the Contract shall be binding unless it is in writing and expressly mutually agreed by both parties.

## 11 Liability

11.1 THE SELLER SHALL NOT BE LIABLE FOR DAMAGES OF WHATEVER NATURE, INCLUDING BUT NOT LIMITED TO CONSEQUENTIAL DAMAGES, ANY DAMAGES TO VESSEL OR HER PARTS OR MACHINERY AND DELAY OF DELIVERY OF THE PRODUCTS, NO MATTER WHETHER SUCH DAMAGES OR DELAY HAS BEEN CAUSED BY FAULT OR NEGLIGENCE ON THE SIDE OF THE SELLER. THE SELLER SHALL FURTHERMORE NOT BE LIABLE FOR DAMAGES OR DELAY AS DESCRIBED ABOVE WHEN SUCH DAMAGES OR DELAY HAS BEEN CAUSED BY THE FAULT OR NEGLIGENCE OF ITS PERSONNEL, REPRESENTATIVES OR SUB-CONTRACTORS.

11.2 Without prejudice to clause 11.1, the liability of the Seller under a Contract for a specific stem which is not excluded pursuant to clause 11.1 shall under no circumstances exceed the lower of (a) the price for the Products in respect of such stem and (b) two hundred and fifty thousand US dollars (USD 250,000). In any case, the Seller's liability for any alleged damage to the Vessel shall be strictly limited to repairing the damage or loss that was directly and solely caused by the negligence of the Seller and/or any alleged defect in the Products provided that where the repair requires replacement of a part of the Vessel, the Seller's liability for damage or loss shall be reduced by twenty per cent (20%) of the invoice value of spare parts for each year or fraction thereof in which the replaced part has been in use.

11.3 Without prejudice to clauses 11.1 and 11.2, the Buyer shall take all reasonable action to mitigate any costs or losses from off-specification or suspected off-specification Products, including but not limited to (if the sampling of the Products performed in accordance with the Supplier's Terms and Conditions shows that no damage will likely be caused to the Vessel by burning the Products, notwithstanding any off-specification of the Products) burning the Products in accordance with the Seller's instructions or retaining the Products on board the Vessel pending Seller's further instructions. Seller shall, if it considers it appropriate, have the right to arrange for a de-bunkering operation in respect of any off-specification or suspected off-specification Products on board a Vessel, provided always that the costs of any de-bunkering of Products from a Vessel performed without Seller's prior written consent shall be for the Buyer's account

11.4 The Buyer shall be liable towards the Seller and herewith undertakes to indemnify the Seller for any and all losses, damages and/or costs (including but not limited to attorneys' fees) suffered or otherwise incurred by the Seller due to a breach of contract and/or fault or negligence of the Buyer, its agents, servants, subcontractors, representatives, employees and the officers, crews and/or other people whether or not onboard of the respective Vessel(s). The Buyer furthermore undertakes to hold the Seller harmless in case any third party institutes a claim of whatever kind against the Seller with direct or indirect relation to any agreement regulated by these GTC. Third party shall mean any (physical or legal) person/company (other than the Buyer) or any governmental or regulatory authority.

11.5 No servant or agent of the Seller (including independent sub-contractors from time to time employed by the Seller) shall be liable to the Buyer for loss, damage or delay, while acting in the course of or in connection with its employment and/or agency for the Seller. Without prejudice to the above every exemption, limitation, condition and liberty herein contained, and every right, exemption from liability, defense or immunity of whatever nature applicable to the Seller or to which it is entitled hereunder shall also be available and shall extend to protect every such servant, representative or agent of the Seller acting as aforesaid.

11.6 Upon delivery of the Products supplied hereunder, Buyer is responsible for complying with all applicable environmental and public health/safety laws and regulations applicable to Buyer's storage, transport, management or handling of the Products supplied hereunder. In the event of any spill or other discharge of hazardous materials/substances, pollutants, oil/fuel or Products in connection with Buyer's storage, transport, management or handling of the Products supplied hereunder, Buyer, at Buyer's sole cost and expense, shall promptly undertake all reporting and remedial measures required to clean up, abate, or otherwise respond to the release, pollution or nuisance in accordance with all applicable environmental and public health/safety laws and regulations. Buyer shall indemnify and defend Seller against and hold Seller harmless from all Claims against Seller arising from or related to Buyer's storage, transport, management or handling of the Products supplied hereunder.

## 12 Deliveries to Newbuildings

This Clause 12 shall apply to all deliveries of Products to a Vessel that is a newbuild vessel delivered from the builder's shipyard.

12.1 Buyer and Seller acknowledge and agree that:

(i) any quantity survey based on vessel soundings will not be considered in determining the quantity of Products supplied by Seller;

(ii) irrespective of whether the Vessel has previously taken bunkers to complete sea trials, quantity shortages may occur if the Vessel's fuel tanks are measured for quantity and compared to barge supplied figures; and

(iii) the quantity of Products supplied by Seller will be determined based upon the barge before and barge after, or, shore tank before and shore tank after, ullage or innage figures, using the barge or shore tank ullage or innage tables, (dependent upon the type of delivery) and not upon any vessel tank soundings.

12.2 Buyer may elect, at its own cost, to appoint Vessel staff or any independent inspection service to take or witness barge or shore tank soundings (dependent upon the type of delivery), before and after the delivery, to accurately verify the quantity of Products supplied by Seller. Buyer shall advise Vessel staff and/or any independent inspection service of Seller's terms and conditions in this Clause 12 accordingly.

### 13 Sanctions

13.1 The Buyer represents and warrants to the Seller that they are fully aware of all current and applicable sanctions or prohibitions or restrictions imposed by all States and Supranational or International Governmental Organisations, including but not limited to, United Kingdom, the European Union, United States of America (including but not limited to the US Department of the Treasury Office of Foreign Asset Control ("OFAC") and the US Department of State) and the United Nations (together "Sanctions") and of all other relevant laws applicable to the Buyer relating to money laundering, bribery, trade controls, export controls, embargoes or international boycotts, including but not limited to those in relation to the trading and transportation of cargoes emanating from Iran and those in relation to dealings with blacklisted entities ("Applicable Laws").

13.2 The Seller shall not be obliged to undertake or omit any action under this Contract which, in the reasonable judgement of the Seller, will expose the Seller or their insurers, their banks or persons acting under the instructions of the Seller to any breach of Sanctions or of any Applicable Laws.

13.3 The Buyer further represents and warrants to the Seller that the Vessel is not a designated vessel under any Sanctions and neither it nor its receivers, consignees, owners, managers and anyone else in the charter chain; (i) is listed on any Sanctions blacklist imposed by the United Kingdom, the European Union, United States of America or the United Nations, including but not limited to the OFAC "Specially Designated Nationals and Blocked Persons List" (each a "Sanctions Blacklist"); (ii) contracts with any entity appearing on any Sanctions Blacklist; (iii) owns or transports any cargo subject to the Applicable Laws or any Sanctions; (iv) is facilitating trade subject to any Sanctions or Applicable Laws in any way; (v) has disabled or manipulated the automatic identification system ("AIS") fitted to the Vessel, or otherwise knowingly operated (or prior to completion of the delivery of the Products, will disable, manipulate or knowingly operate) the Vessel's AIS, other than in accordance with the International Convention for the Safety of Life at Sea (SOLAS), the IMO Revised Guidelines for the Onboard Operational Use of Shipborne Automatic Identification Systems, Resolution A.1106(29) or any subsequent amendment thereto, all Sanctions and Applicable Laws and (vi) is not otherwise in compliance with all Sanctions and Applicable Laws ((i)-(vi) together the "Sanctions Policy")

13.4 The Buyer further represents and warrants to the Seller that: (i) due diligence is carried out on every transaction it conducts to ensure compliance with the Sanctions Policy; and (ii) all written factual information provided by or on behalf of the Buyer to or to the order of the Seller in connection with any matter including, without limitation, the Buyer, the Vessel, receivers, consignees, owners, managers or any other party connected with the Vessel and/or in the Vessel charter chain is or (as applicable) was true, complete and accurate in all respects, and not misleading in any respect, as at the date provided. Notwithstanding that due diligence, if at any time during the performance of a transaction the Buyer becomes aware of a breach or suspected breach of the Sanctions Policy, or that any written factual information provided by or on behalf of the Buyer to the Seller is, or was when provided, untrue, incomplete, inaccurate or misleading in any respect, it will immediately notify the Seller.

13.5 If at any time the Buyer breaches the Sanctions Policy (or in any other way puts the Seller in breach of Sanctions or the Applicable Laws) then the Buyer agrees to be liable for any and all losses and/or claims whatsoever arising from such breach by Buyer. Additionally the Buyer agrees that should it breach the Sanctions Policy, the Seller shall have the right of unilateral full or partial termination or suspension of any transaction or service entered into with the Buyer. Such unilateral full or partial termination or suspension shall not give rise to any liability, compensation or indemnity of any kind. In particular but without limitation to the foregoing, the Seller shall be at liberty to withhold, reduce or suspend deliveries under this Contract to such extent as the Seller may in its absolute discretion think fit and the Seller shall not be bound to acquire by purchase or otherwise additional quantities from other suppliers. Any additional quantities which the Seller does acquire from other suppliers or from alternative sources may be used by the Seller at its complete discretion and need not to be taken into account by the Seller for the purpose of determining the extent to which it is to withhold, reduce or suspend deliveries under this Contract. The Buyer shall be free to purchase from other suppliers any deficiencies of deliveries of Products caused by the operation of this Clause 13 but the Seller shall not be responsible for any additional cost thereby incurred by the Buyer. The Seller further reserves the right to increase the price charged for any Products if there is any increase in the costs incurred or to be incurred by the Seller as a result of acquiring by purchase or otherwise additional quantities of Products from other suppliers in order to avoid exposure to any Applicable Laws or Sanctions.
